SEBASTIAN PEREZ BETANCUR

**Full Stack Developer | Software Developer |
Open to IT & Tech Support Roles**

Profile

Multilingual and results-driven Full Stack Developer with a background in logistics and customer service. I combine strong technical skills with leadership, communication, and a global mindset. Passionate about problem-solving, clean code, and building meaningful tech solutions.

Currently completing a Full Stack Software Development diploma at Code Institute (Ireland). Open to positions across frontend, backend, full stack, DevOps, QA, and other IT-related roles.

Technical Skills

- Languages & Frameworks: JavaScript, Python, HTML, CSS, React, Django, Node.js
- Databases: PostgreSQL, SQLite, MongoDB (basic)
- Tools: Git, GitHub, VS Code, Docker (basic), Heroku, Vercel
- Other: REST APIs, Agile (Scrum), PEP8, CI/CD fundamentals
- Fast learner and continuously growing in AI and cloud technologies

QUALITIES

Integrity

I value honesty and transparency in all my actions, both professionally and personally.

Communication Skills

I strive for clear and respectful communication, which I consider a cornerstone for successful collaborations and relationships.

Leadership and Discipline

My experience playing football at an elite level in multiple countries has shaped me into a goal-oriented and disciplined leader who takes responsibility and inspires others.

Respect

I hold deep respect for people, diverse cultures, nature, new ideas, and the small details that contribute to the bigger picture in both life and work.

Growth Mindset & Passion for Learning
